

The most trusted source for cybersecurity training, certifications, degrees, and research

Live Online Security West 2020

May 11-16 | Virtual – US Mountain

Learn top-notch cybersecurity skills with live streaming training

SANS Live Online offers live-stream, instructor-led cybersecurity training, plus new virtual NetWars challenges, dedicated chat channels for interactive virtual networking, and more!

“I am really impressed with the Live Online training. I was able to retain a lot of information while having all of the amenities of being home.”

— Travis Logue, Coinstar

Benefits of Live Online:

- Live, interactive streaming with your instructor
- SANS @Mic talks, virtual NetWars, sponsored Lunch & Learns, and capture-the-flag challenges
- Four months of online access to the archive of your course lectures
- MP3 archives of course lectures taught by course author
- Dedicated chat channels for virtual networking
- Hands-on lab exercises during your course
- Electronic, full-color courseware and materials
- Opportunity to win coveted SANS course coins via day-6 challenges or CTFs

SAVE \$300

When you register and pay for any 5- or 6-day course by **March 18th**.

SAVE \$150 when you register and pay for any 5- or 6-day course by **April 22nd**.
