

The most trusted source for cybersecurity training, certifications, degrees, and research

Join us for Baltimore Fall 2020

In-Person & Live Online | September 8-13

Top-Notch Cybersecurity Training | Flexible Attendance Options

Choose how you attend! During SANS Baltimore Fall 2020, all courses will be offered via **Live Online** and **In-Person**. Choose your preferred attendance method when registering. For students considering **In-Person** attendance, please view the Event Safety tab for our safety precautions. Whichever attendance option you choose, you will receive exceptional cybersecurity training from world-renowned instructors dedicated to helping you learn practical cybersecurity techniques you can use immediately.

“SANS training provides the most relevant security issues and practices that immediately increase my work capabilities.”

— Steven Launius,
Discover Financial Services
