

The most trusted source for cybersecurity training, certifications, degrees, and research

Join us for Rocky Mountain Fall 2020

November 2-7

SANS Live Online: Interactive Cybersecurity Training Delivered Online from Anywhere

SANS is committed to delivering high-quality cybersecurity training so you can keep your skills sharp and stay ahead of cyber threats. Join us for interactive training during SANS Rocky Mountain Fall 2020 – Live Online (MST), and receive relevant, applicable training from wherever you are.

“Each day’s content builds on the last, providing an excellent foundation that logically ramps up to increasingly more technical and useful material.”

— Ben Boyle, *Coalfire*

Benefits of Live Online:

- Interactive, live-stream courses taught by real-world practitioners
- Real-time support from virtual TAs
- Dedicated chat channels for networking
- Online CTF events and virtual NetWars
- Hands-on labs in a virtual environment
- Courses include electronic and printed books
- Several courses align with GIAC certifications
- Archive of course lectures uploaded to your account daily during the event
- Four months of access to your course lectures so you can revisit the recordings

SAVE \$300

sans.org/rocky-mountain-fall-2020

When you register and pay for any 5- or 6-day course by **Oct 7th**.

SAVE \$150 when you register and pay for any 5- or 6-day course by **Oct 14th**.

Enhance your training experience. Add a GIAC Certification attempt and OnDemand Bundle to your course.

Distinguish yourself as an information security leader and get certified with **GIAC Certifications**. giac.org

Extend your training experience with an **OnDemand Bundle**. Receive four months of supplemental online review and 24/7 online access to your course lectures, materials, quizzes, and labs. sans.org/ondemand/bundles
