SANS Cyber Security Central: June 2021

June 7-12 | US Central Time | **NETWARS**

Live Online 

SANS Live Online: Interactive Cybersecurity Training Delivered Online from Anywhere

SANS is committed to delivering high-quality cybersecurity training so you can keep your skills sharp and stay ahead of cyber threats. Join us for interactive training during SANS Cyber Security Central: June 2021 – Live Online (CDT), and receive relevant, applicable training from wherever you are.

“The materials and instructors are excellent and the content is relevant to current security operations in any industry. The combination of labs and NetWars provides hands-on experience that really helps to understand the content.”

— Jerry Bunn, **Digital Realty**

Benefits of Live Online:

- Interactive, live-stream courses taught by real-world practitioners
- Real-time support from virtual TAs
- Dedicated chat channels for networking
- Online CTF events and virtual NetWars
- Hands-on labs in a virtual environment
- Courses include electronic and printed books
- Several courses align with GIAC certifications
- Archive of course lectures uploaded to your account daily during the event
- Four months of access to your course lectures so you can revisit the recordings

Enhance your training experience. Add a GIAC Certification attempt and OnDemand Bundle to your course.

Distinguish yourself as an information security leader and get certified with **GIAC Certifications**. giac.org

Extend your training experience with an **OnDemand Bundle**. Receive four months of supplemental online review and 24/7 online access to your course lectures, materials, quizzes, and labs. sans.org/ondemand/bundles

“This is my first SANS Live Online course and so far I’m loving it. I really feel like I’m there, while retaining all the creature comforts of my own home.”

– Graham Smith, **Aegon**

“The course content is easily digestible, laid out nicely, and explains all of the concepts and ideas well. The labs serve up the knowledge from the course content in an amazing way. Very smooth, translates right over, no ambiguity.”

– Joshua Meadows, **Amazon.com**
